

## About us

Cleveleys Nursery Store is a small family run business situated in the North West of England

Our fully trained staff are there to offer assistance and honest advice with everything you may require for your new arrival.

Here at Cleveleys Nursery, customers have always been our main priority, and largely influenced the growth of the business

Our ethics remain the same from when we first started trading, customer service and quality is paramount to our future.

Please feel free to ask about any issues you may have relating to stock availability

If you do not see a specific products, please do not hesitate to contact us as we cannot show our full product range online.

We hope you have an enjoyable experience during your visit and hope you will call back again.

Thanks

Joanne
